

# Dirt Poor Spirit Rich

Commemorating the Dispersion of Members of the Carrucan Family from West Clare

## HOW TO ORDER COPIES OF THE BOOK

Copies of the Carrucan Family History book can be purchased from Lulu, an online publisher based in the United States. All orders are done via the internet but it's not as bad as it sounds because your books will be printed at a locally based printer and posted locally. And the more books you purchase, the cheaper the total cost becomes. Here are some comparisons done for various sized book orders. Note that all monetary amounts quoted on the website are for the US dollar.

Number of Books	Book Print Cost	Postage	Total Cost	Cost Per Book
1	US \$13.80	US \$ 7.99	US \$21.79	US \$21.79
2	US \$27.60	US \$ 8.99	US \$36.59	US \$18.30
3	US \$41.40	US \$ 9.99	US \$51.39	US \$17.13
4	US \$55.20	US \$10.99	US \$66.19	US \$16.55

If you live in America, this is your cost. If you live in Australia, your cost ends up being slightly less because the Australian dollar is currently trading above parity against the US dollar. If you live in the United Kingdom or New Zealand, your cost will also vary from the above once you factor in your exchange rate but hopefully it will still be an affordable book price.

And here is how you place your order

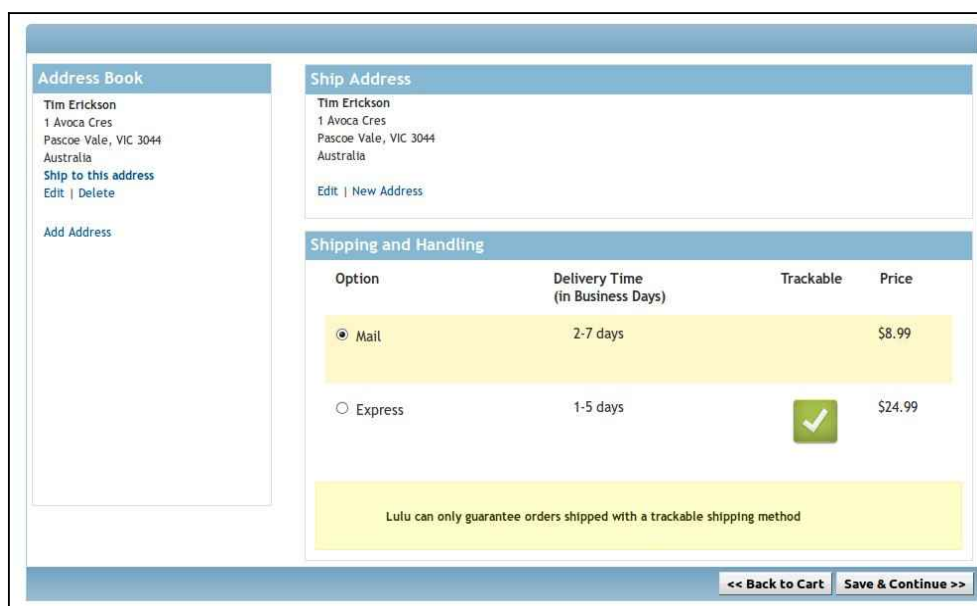

1. Make sure your computer is connected to the internet.
2. Start your web browser and connect to <http://www.lulu.com>
3. Type the key words *Dirt Poor Spirit Rich* into the Lulu search box at the top of the page and press the *Go* button. You should now see a Search Results page with the Carrucan book at the top of the search list.

The screenshot shows the Lulu search results page for the book "Dirt Poor Spirit Rich". The search bar at the top contains the text "dirt poor spirit rich" and a "Go" button. Below the search bar, there are options to search by title or creator, rating, language, or date. The results show 75 items for "dirt poor spirit rich", sorted by relevance. The first two results are for the book "Dirt Poor Spirit Rich" by Jim Martin, Frank Carrucan, and Tim Erickson. The first result is a paperback for \$13.80, and the second is a file download for \$0.99. Both results include a description of the book and an "Add to Cart" button. On the right side of the page, there is a "WHAT'S HOT" section featuring "The Production Assistant's Pocket Handbook" by Caleb Clark for \$11.95 and "Catching Fire" by Suzanne Collins for \$10.43.

- The two options are to pay a small amount to download a softcopy or pay a larger amount to order the book. Obviously you want to order the book so click on the *Add to Cart* button directly below the \$13.80 book option. You will now be taken to the Shopping Cart screen.

- Increase the book number from 1 if you wish to order more than one book. Then press the *Update Cart* button. Once your screen has refreshed, click the *Checkout* button.
- Enter an email userid and a password (you have to enter your password twice for confirmation purposes) at the Checkout Screen. This opens an account with Lulu so that you can track your order and so that they can email you with its status. Write down your password so that you can log on in subsequent days if you wish and track the status of your order. When you have done this, click the *Continue Checkout* button.
- Fill in your address details on the Shipping Address Screen. Double check it as you need the address to be absolutely spot on or else the book won't reach you. Press *Save Address* when you have finished.
- You will then be taken to the Shipping and Handling Screen. I normally just accept the default option of Mail. It is considerably cheaper than Express and all orders have turned up so far. Then click on *Save & Continue*.

- You are now presented with the Payment screen. Choose to pay with either a Credit/Debit card or via PayPal. Which method is better - well, some people prefer PayPal as it means you don't have to send your credit card details over the net - but that is up to you. I have used my credit card for payment so far with Lulu and have had no issues. Follow the prompts as required to enter your credit card or PayPal details.
- You will now be shown the final Checkout Confirmation screen, indicating your total payment (for books and postage). If you are happy, then click the *Place Order* button.
- If it all goes well, you will receive a confirmation from Lulu like the one shown on the next page.
